

Launch of European Federation for Costume & Production Design ARTSCENICO

ARTSCENICO in Berlin 2018

ARTSCENICO, the European Federation for Costume & Production Design, was founded after 3 years of debates and a final meeting in Berlin in November 2018 of 27 artists from 11 countries, speaking on behalf of 13 organisations representing costume and production design professionals in Europe.

ARTSCENICO's aims:

- * to create a professional network to meet and exchange at a European level
- * to promote our professions and defend our rights and accomplishments
- * to support our crafts and tools and create a vivid exchange with educational institutions
- * to create European activities and publications to make our professions more visible
- * to exchange and collaborate with FERA, IMAGO, OISTAT and similar initiatives on common projects
- * to support initiatives towards race-, gender- and pay-equality and to fight against any form of abuse in the audiovisual industry
- * to support initiatives to reduce the environmental impacts of filming productions
