- 17 October 2019 –

UNI MEI is UNI Global's branch representing workers in the media, entertainment, arts and sports sectors gathering over 100 union and guilds in over 70 countries.

FERA CEO **Pauline Durand-Vialle** was invited to its European Executive Committee meeting on October 17 in Madrid, to give an assessment of Copyright Directive adopted in June 2019 and discuss implementation needs of our membership, and to review the joint FERA-FSE-UNI MEI project *Promoting Fair Remuneration and Collective Bargaining for Creators in the Digital Single Market* spanning from 2017 to 2019.

The visit was a fruitful exchange paving the way to continued collaboration with UNI MEI.
